Always Right (Kindle Single) By Niall Ferguson

In **ALWAYS RIGHT** historian Niall Ferguson offers a characteristically original, incisive and witty account of Margaret Thatcher's reign – the word seems appropriate – as British Prime Minister. Denounced by her enemies as divisive and dictatorial, Thatcher was the greatest leader Britain has produced since Winston Churchill. The standard bearer for a decisive economic regime-change, she was also a social revolutionary who shook up the stagnant English class system. Yet she was a foreign policy realist, who restored her country's standing in the world. And far from being an over-bearing prime minister, she ultimately fell victim to the machinations of Cabinet government. **ALWAYS RIGHT** is a fittingly frank assessment of a great woman who made history.

Niall Ferguson is the Laurence A. Tisch Professor of History at Harvard University, a Senior Fellow at the Hoover Institution, Stanford University, and a Senior Research Fellow at Jesus College, Oxford. He has published fourteen books, including *The Ascent of Money: A Financial History of the World*, *Civilization: The West and the Rest* and, most recently, *The Great Degeneration: How Institutions Decay and Economies Die*. An accomplished broadcaster, in 2009 he won the International Emmy for Best Documentary. In 2010 he won the Benjamin Franklin Award for Public Service and in 2012 the Hayek Prize for Lifetime Achievement.
