Les Miserables By Victor Hugo

Close your eyes and let this powerful music transport you to another time and place. Les Miserables has captivated generations, but with this critically acclaimed Broadway soundtrack, a beautiful story becomes an unforgettable experience. Against the backdrop of the French Revolution, the story of escaped convict Jean Valjean and his search for grace and redemption will leave any listener moved by the parallel of God's grace towards us. This dramatic reading of the entire novel along with the dynamic new recordings of five of the most popular songs from the original score will bring this masterpiece of the ages to life once again.

Editorial Review

Review

If you are like me and have wanted to read this Very Important Book but have been scared off by its behemoth size then you are in luck. This version, offered by Barbour Publishing's Shiloh Run Press, is not only condensed but translated especially for today's American reader. However, that does not mean that the book will be an easy read, just easier than previous editions.

Skip the movie and read the book. Its not necessarily an easy read but how many truly wonderful and exceptional things in life are easy? You get what you put into things and Les Miserables pays you back in spades. --Darian Burns *Darian Burns Blog* 2014-01-10

Do you ever come across a book that seems like everyone but you has read? It's received rave reviews and you half-heartedly add it to the to-read list but you don't consider it high priority. You'll get around to it...eventually. Well that's the way I have felt about Les Miserables. And to be honest, when I see the majority going googly-eyed over a book I tend to avoid it as it usually isn't my cup of tea. However when the opportunity presented itself to read this French classic in the form of an abridged edition I jumped at the chance. And I have no regrets. While there was no doubt a good deal that I missed out on I found this modern edition of a timeless story very well done. Very few classics I come across fall under the "page-turner" category but in my own humble opinion Les Misérables was excellent. It reveals the triumphs and fall of mankind and how one decision can set into motion a whole series of incidents that have both positive and negative effects. --J. Burdette *Reet Champion Book Reviews* 2014-03-13

Language Notes

Text: English (translation)

Users Review

From reader reviews:

Alfred Cox:

The book Les Miserables will bring one to the new experience of reading a book. The author style to clarify the idea is very unique. In the event you try to find new book you just read, this book very appropriate to you. The book Les Miserables is much recommended to you to learn. You can also get the e-book through the official web site, so you can more readily to read the book.

Miguel Philip:

This Les Miserables is great book for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. This specific book reveal it information accurately using great plan word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but challenging core information with wonderful delivering sentences. Having Les Miserables in your hand like finding the world in your arm, facts in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen minute right but this book already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

Esther Cunningham:

In this age globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. Often the book that recommended for you is Les Miserables this reserve consist a lot of the information on the condition of this world now. That book was represented how does the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The actual writer made some research when he makes this book. Here is why this book appropriate all of you.

John Cheung:

Beside this specific Les Miserables in your phone, it may give you a way to get more close to the new knowledge or information. The information and the knowledge you might got here is fresh from oven so don't possibly be worry if you feel like an older people live in narrow village. It is good thing to have Les Miserables because this book offers to you personally readable information. Do you sometimes have book but you do not get what it's interesting features of. Oh come on, that will not end up to happen if you have this inside your hand. The Enjoyable arrangement here cannot be questionable, such as treasuring beautiful island. So do you still want to miss it? Find this book as well as read it from currently!
