Natural Nutrition for Dogs and Cats: The Ultimate Diet By Kymythy Schultze

There are an estimated 60 million dogs and 70 million cats living as beloved companions in American homes, and feeding pets is a multi-billion dollar business. With pet disease and illness on the rise, a significant proportion of pet owners are turning to holistic health care to prevent disease and enhance their pet's well-being. The foundation of holistic care is optimal nutrition. Our own doctors extol the virtues of eating fewer processed foods and more fresh foods if we wish to enjoy good health. Certainly, our pets deserve the same consideration. This easy-to-read book will help pet-lovers enable their dogs and cats to enjoy an ideal quality of life through a species-appropriate diet of raw, natural foods. Readers learn how to easily prepare a healthy homemade meal so their pet can have a shiny coat, healthy skin and digestion, clean teeth, bright eyes, and no fleas or "doggy breath". Also included are the Holistic Animal Yellow Pages, an invaluable information resource.

Editorial Review

About the Author

Kymythy Schultze has been a trailblazer in the field of animal nutrition for over a decade. Her professional experience with animals includes being a trainer, a breeder, a groomer, a veterinary assistant for multiple doctors, and a wildlife rehabilitator licensed with the federal government. She has studied many holistic modalities, including tutorage with Dr. Richard Dahout, and canine nutrition at Cornell University. She has also hosted a popular radio show featuring health and community service issues. Kymythy is a certified Animal Health Instructor and Clinical Nutritionist, and teaches classes in Natural Nutrition and Holistic Care for Dogs and Cats at a Southern California college, and through workshops worldwide. Her nutritional recommendations are endorsed by both holistic and allopathic veterinarians. She has fed her own dogs and cats a species-appropriate diet of raw foods for many years with proven results. Her breeding program has produced American and international champions titled draft, obedience, and water rescue dogs, and most important, beloved family companions. She has helped hundreds of people all over the world improve the health of their dogs and cats, naturally. Kymythy is editor of the "Holistic Dog and Cat Newsletter" and author of Natural Nutrition for Dogs and Cats: The Ultimate Diet.

Users Review

From reader reviews:

Mary McClellan:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that improve your knowledge and information.
