Obsidian (The Dragon Kings Book 1) By Kimberly Loth

Seventeen-year-old Aspen is a skydiving, rock climbing, adrenaline junky. All her life, she's been fascinated by the dragons who roam near her home in Yellowstone Park. Yes, Dragons. Though no human has ever gotten close enough to touch one.

Except Aspen.

While most people avoid the national parks because of the resident dragons, Aspen spends most of her free time in search of the feared and misunderstood creatures. For her, studying the dragons is a way to escape a painful past and avoid getting too close to anyone.

She'd rather track dragons in the wild and through the lens of her camera than talk to real people. But then Aspen meets a hot new guy at school, Sid King. He's the one person she's ever met who shares her obsession with all things dragon. But even as she feels strangely drawn to the mysterious boy, she senses he's hiding his own set of dark and powerful secrets.

When hikers start turning up dead in the park, everyone suspects the formidable predators. Unless Aspen can prove their innocence, every one of her beloved dragons is in danger of eradication.

After Aspen and Sid uncover a sinister plot behind the brutal attacks, Aspen can no longer deny that Sid somehow knows more about the deaths than he should and the secrets they both keep threaten to rip their lives apart forever.

Editorial Review

Review

"Kimberly Loth has certainly captured my attention. . . . if you like dragons or fantasy, or magical realism Obsidian is a book that should be on your radar." ---Book Briefs

About the Author

Kimberly Loth is a high school math teacher by day (please don't hold that against her) and YA author by night. She loves romantic movies, chocolate, roses, and crazy adventures. Her books include the Thorn Chronicles series, the Dragon Kings series, and the stand-alone novel Bittersweet.

With over 200 audiobooks narrated and produced, Hollie Jackson has worked with both indie and USA Today bestselling authors across a wide range of genres. Hollie's voice brings characters of all types to vibrant, compelling life, allowing the listener to sit back and enjoy the story.

Users Review

From reader reviews:

Erich Arnold:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world.
