Predator: Concrete Jungle #1 (Predator Vol. 1) By Mark Verheiden

New York City's Detective Schaefer has seen it all, from domestic murders to drug-gang executions. But Schaefer's never seen the Big Apple awash in so much blood as tonight, with flayed bodies hung like meat being cured for mealtime. When Schaefer has a close encounter with one of the murderers, he realizes he's run into something much bigger than the police suspect. Can even the toughest cop stand up to the ultimate hunter? Penned by screenwriter Mark Verheiden (Smallville, Heroes, Battlestar Gallactica, Falling Skies), Predator: Concrete Jungle is the hit comics sequel to the blockbuster film and the beginning of the long-running Predator comics franchise.
