Sangre oscura (Titania luna azul) (Spanish Edition) By Christine Feehan

Zev Hunter era un guerrero de élite, un asesino de sangre oscura de licanos renegados que se dedicaban a cazar humanos. Era un solitario, jamás se permitía crear vínculos personales, y era tremendamente fiero en su trabajo. Pero Zev empieza a cuestionarse su pasado y su propósito cuando despierta en la oscuridad de la cueva secreta de los guerreros... y recupera la conciencia oyendo la voz sensualmente familiar de una mujer, la mujer que lo ha perseguido en sus fantasías durante siglos, Branislava, miembro del clan de los cazadores de dragones... Para esta tentadora mitad maga, mitad carpatiana, el ritual de despertar a Zev al consejo de los guerreros era la única forma de salvarle. Encerrado por su propia seguridad, ha llegado el momento de que renazca, de que su sangre se mezcle con la de los antiguos guerreros que vivieron antes que él. Branislava le ha asegurado que sus destinos están entrelazados, que sus espíritus estarán unidos por toda la eternidad y que su nuevo propósito en la vida está más allá de lo imaginable. Ahora, tras jurar con sangre un voto de honor, piedad y resistencia, y bajo la influencia de una sirena tan seductora como Branislava, Zev empieza a preguntarse cuál será ese propósito, qué significará para el futuro de los carpatianos y qué hay en su renacimiento que deba temer...

Editorial Review

Users Review

From reader reviews:

Guadalupe Winn:

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want sense happy read one with theme for entertaining like comic or novel. Often the Sangre oscura (Titania luna azul) (Spanish Edition) is kind of book which is giving the reader unstable experience.

Justin Tran:

Precisely why? Because this Sangre oscura (Titania luna azul) (Spanish Edition) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content within easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the e-book store hurriedly.

Kermit Moors:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you will have done when you have spare time, and then why you don't try issue that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Sangre oscura (Titania luna azul) (Spanish Edition), you are able to enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its identified as reading friends.

Evelyn Broderick:

Reading a publication make you to get more knowledge from that. You can take knowledge and information from a book. Book is composed or printed or descriptive from each source that will filled update of news. With this modern era like at this point, many ways to get information are available for a person. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You

can add your understanding by that book. Do you want to spend your spare time to open your book? Or just trying to find the Sangre oscura (Titania luna azul) (Spanish Edition) when you essential it?
