The Miracle Maker By Murray Watts

On Easter Sunday 2000, 14.2 million adults and children turned on prime-time ABC to watch the world television premiere of a first ever Claymation film on the life of Jesus. With breathtaking artistry and an honest portrayal of historical events, The Miracle Maker was a huge success. Pre-orders for the video release soared near the top of Amazon.com's list, and ABC agreed to air the Easter film through 2002, which will likely be only the beginning.

The Miracle Maker is a captivating narrative on the life of Jesus as seen through the eyes of Jairus's young daughter, Tamar. Her innocent and clear perspective gives readers new insight into the Gospel stories of Jesus the healer, teacher, and Savior. This literary rendition, like the film, is faithful to the biblical account, while also interpreting its content for a contemporary readership. In his book, though, playwright Murray Watts adds even more depth to the imagery and characterization portrayed in the animated movie.

The Miracle Maker A Novel

Back cover copy

You've never heard the greatest story ever told from a perspective like this-the biblical account of Jesus through the eyes of Tamar (the ill young daughter of Jairus), whom Jesus raises from her deathbed.

Tamar brings alive the figure of Jesus as both healer and radical teacher, touching the hearts and minds of all who encounter him. The Miracle Maker-also a stunning 3-D animated film-will become a literary classic, at once faithful to the biblical account and a profound interpretation of it.

"Drawing upon the work of mainline, evangelical and Jewish scholars, The Miracle Maker presents Jesus as more than human and yet thoroughly human. We see his affection for people, the laughter he shares with friends and the grief which strikes him." -Thomas E. Goodhue, executive director of the Long Island Council of Churches

"The writing alone can make a boring, rational-thinking academic type like me feel all choked up reading it by the fireside." -Rev. Richard A. Burrage, dean of King's College, London

The work of novelist and playwright Murray Watts continues to win acclaim in theater, radio, TV and film. He created the BBC's acclaimed Testament series and wrote The Miracle Maker screenplay.
