The World of Mental Health: An Essential Resource For Families, Couples, and Singles By Gabriel G. Feldmar

"Dr. Feldmar's book is jam-packed with interesting information. You will get a basic understanding of how and why we, and the people around us, behave the way we do. A must-have book for any personal library" - Louis Puglisi, MA "I found Dr. Feldmar's book to be very informative. He cuts through the professional jargon, and makes it easily understandable for the lay person. It is an invaluable reference book for every household" - Gabor Kovacs, MD, FACS "After reading Dr. Feldmar's book, I feel it should be mandatory reading for all parents. In a world of confusion about psychological labels, this book gives the reader a clear understanding of the problems and conditions we all face. For those of us dealing with people under stress at work or home, this book is a valuable tool" - Edward M. Portnoy, DMD "As a health care professional, I know it is important for patients and their families to become educated consumers in recognizing and dealing with abnormal psychological or psychiatric conditions. With the assistance of Dr. Feldmar's comprehensive and easy-to-read book, individuals will hopefully seek professional treatment sooner and be willing to partner with their health care providers to achieve a more successful outcome" - Roberta Kiel, RN, MPH
