We're All Okay - A Millennial's Treatise: Decoding the Country's Biggest Non-Mystery By Michelle Petrazzuolo

Books about Millennials are a dime a dozen - except not one of them has been written by a Millennial. Older generations arm themselves with nontransferable anecdotes and spurious data to spin a tale about an unruly, needy, greedy generation that is destined to doom us all. It's not really worth all the histrionics. With the perspective of membership in the generation, as well as historical comparisons, the author is able to illuminate the subject in a way that has not been done before. The writing dismantles the commonly held notions that terrify business owners and senior leaders, replacing them with a common sense way of understanding a group of people that have their own priorities, just like the generations before them. Accompanied by action plans to address each facet of Millennial engagement, this book should be a key piece of any executive's or business owner's library.

Editorial Review

About the Author

Michelle Petrazzuolo is a Millennial working in the field of human resources with fourteen years of experience. Starting as a file clerk, she worked her way through the ranks of the field, learning what makes employees tick, and how to communicate that to managers and senior leaders at all levels of an organization. With a Master's degree in Human Resource Management and two senior certifications, Ms. Petrazzuolo has distinguished herself as a leader in disruptive thought, constantly pushing the limits of what HR should be.

Users Review

From reader reviews:
