40 Essential In-Services for Home Health: Lesson Plans and Self-Study Guides for Aides and Nurses By Beacon Health a division of HCPro, Elizabeth I. Gonzalez RN BSN (Reviewer)

Annual home health in-service training is not only required to remain compliant with CMS and state regulations, but it is also vital to providing quality patient care.

40 Essential In-Services for Home Health: Lesson Plans and Self-Study Guides for Aides and Nurses is a completely updated version of Beacon Health's *24 Essential In-Services for Home Health*, featuring 24 revised and 16 additional in-services to offer more home health in-services on more essential homecare topics than any other product on the market. Including sections on HIPAA, preventing rehospitalizations, infection control, and managing professionalism and accountability, this resource will help both aides and nurses satisfy Medicare's requirement of completing 12 in-service training hours annually.

This resource provides:

- More than a year's worth of training to satisfy CMS requirements
- Practical education for home health aides and nurses on the important homecare topics that impact their work daily
- Time-saving guidance for educators on conducting lessons
- Downloadable learning activities, games, and quizzes to modify or use as you wish
- Post-lesson tests to validate comprehension
- Certificates of completion to document staff training hours
