Dangerous Protector (BBW Paranormal Shape Shifter Romance) (Federal Paranormal Unit Book 2) By Milly Taiden

If you run from love, you're asking for a chase...

James Brock lived the past ten years without the woman he loves. Using his job as head of the Federal Paranormal Unit to help others, he's done a good job of ignoring his lack of a personal life until she returns. His salvation. His first love.

Cynthia Vega had a very good reason to leave the only man she loved after she'd accepted his marriage proposal. Now she's back as his boss. And he's not willing to ignore their chemistry or the past.

Brock is determined to claim his mate and prove that their passion is even hotter than before. He wants her and her explanation behind their separation. Except, some secrets won't stay buried in the past. Brock will fight his demons to follow her lead, but Cynthia's reluctance to explain their lost love may be the one key to their destruction...

Mature reader warning: This book contains and is not limited to: violence, raw sexual language and actions. It is intended for readers 18+.

Hi! I'm Milly (AKA April Angel) I love to write sexy stories. They're usually either paranormal or contemporary with a large dose of heat. My paranormal stories can be anything from wolf-shifters (my favorites) to witches, demons and anything in between. I was born the prettiest part of the Caribbean known as the Dominican Republic. Currently, I live in New York City with my hubby, the bossy kiddo and our little dog "Needy Speedy". Don't ask. When I'm not working some really long hours at the day job, or hanging out in the awful life-sucking invention known as Facebook, messaging my bestie in the UK or shopping with my sis Julie, then I can be found watching scary movies. Buuut when I'm not doing that, I'm usually writing because the voices won't shut up. I am addicted to shoe shopping, chocolate (but who isn't, right?) and Dunkin' Donuts coffee. Come by and visit me! I love to meet new readers! Website: millytaiden.com
