For My Lady's Heart (Medieval Hearts Book 1) By Laura Kinsale

Pursued by her enemies, flattered and courted for her lands, a powerful, devious princess is desperate to reach refuge. Melanthe can trust only one man amid the lies, the mysterious Green Knight—a true knight who never wavers; a man who cannot comprehend deceit. But as an impossible love grows between them, betrayal becomes their only future . . .

In this classic romance, Laura Kinsale has crafted a rich, sensual portrait of life during the Middle Ages. And now for the first time, readers can choose between two versions of the story. Both are included in this ebook.

The first is the original published novel filled with Middle English dialogue and deep period detail. The second, included only here in the ebook version, has been reworked by the author to be a tighter read, with more modern words for dialogue. Whichever you decide to read, you will be richly rewarded with a story of love and honor for the ages.

Editorial Review

From Publishers Weekly

Ruck, an invincible English knight, loses his new wife when she declares herself a prophet and pledges her life to the Church. Ruck's attention now falls to the Princess Melanthe, the shrewd, widowed head of the powerful Monteverde family in Italy and to whom he swears allegiance. But Gian, the patriarch of the equally powerful Navona family, plans to marry Melanthe and merge their two kingdoms, and he will murder anyone who jeopardizes his plan. Thirteen years later, Ruck meets Melanthe again and joins the princess's entourage as they journey to reach her estate before Gian catches up with her. On the way, she reveals to Ruck that his wife was burned as a heretic. Melanthe and Ruck exchange wedding vows and consummate the marriage. But the potential repercussions of their union and an advancing plague threaten them, so the two escape to Ruck's estate, which he struggles to reclaim since it was lost through legal confusion. The honeymoon bliss doesn't last long because they have been seen by someone who alerts Gian, who isn't ready to let Melanthe go. Kinsale's (*The Shadow and the Star*) tale is light on vitality and heavy on Middle English, plot twists and tedium.
