### My Stepbrother's Kiss (Young Adult Romance) By Melanie Marks

Excerpt from the book:

Slowly, my new stepbrother, Noah spins me to face him.

His eyes twinkle seductively. Have me totally hypnotized, though equally confused. It all happens in a heartbeat—the spinning and the hypnotizing—then suddenly his amazing, soft, fantasy-inducing lips crash on mine. At first it’s, you know, obviously for show—for bewildered Spencer. But then holy smokes! Things heat up FAST. His hands tangling in my hair and his tongue exploring mine like he’ll never get enough of me or my enraptured mouth.

When Noah finally drags his tantalizing lips from mine, his hot breath heats up my body as he whispers in my ear, “That was hot, sis.”

Oh-kay, now if I can just get him to stop calling me his sister ...

Summary: Peyton’s new (smokin’ hot) stepbrother, Noah, owes her a favor. He decides he’s going to help her get the guy she wants. (He just doesn’t realize it’s HIM she wants.) (Ha!) Still, Peyton’s more than willing to let him try to help her. In fact, she’s THRILLED to let him try. Bring on your help, Noah.
