The LPN-to-RN Bridge: Transitions to Advance Your Career By Allison J. Terry

This text is the essential resource for students who have already acquired some nursing knowledge from a diploma or a practical nurse program, particularly students pursuing a degree as a registered nurse (RN) who have previously acquired training as a licensed practical nurse (LPN). It bridges the gap in students thinking as they move from the tactile-based practical nurse to the professional registered nurse who engages in critical thinking. This is an ideal text for students enrolled in Fundamentals of Nursing, Basic Nursing Concepts, or a Role Transition course. Key Features • Offers guidance to develop effective study skills • Includes preparation for licensure examination • Contains evidence-based practice • Covers leadership and management • Includes dosage and solution calculation • Explains the problem-solving and decision-making process as a registered nurse • Offers a robust Companion Website with online activities to improve student learning
