99 Interview Questions to Nail your next Firefighter Interview: Firefighter Interview Guide By Dan Eddy, Hobie Porterfield

This book was written by two current firefighters. Captain Dan Eddy has 17 years of fire service experience, working for a large scale Southern California Fire Department. He has had the opportunity to work with hiring panels and Academies. This has given him the insider knowledge of what the current hiring panels are looking for in a candidate. Firefighter Hobie Porterfield is a newly hired firefighter that was hired later in life after running a succesful construction business. His current knowledge of just being hired gives the reader exactly how to prepare and act for any interview. Together they have written an interview book that covers what the current hiring boards are looking for in a qualified candidate. It gives you the insider knowledge of what both sides of the table are expecting in an interview setting.

This book gives you a detailed description of what to expect when walking through the door of an interview panel. There are "99" of the most current interview questions being asked nation wide. This book gives you key words and prahses that the panels are looking for in an answer. It also gives you an easy to follow format for answering any question. The book will allow you to download a workable "PDF" format so you can write your answers into each question page. This book gives you an easy to follow interview guide book with the straight forward answers of what to expect when you walk through that door.
