Editorial Review

Review

“Hiam’s book offers a rich oral history relying upon the recollections of many key players, friend and foe alike, as well as Adams’s meticulous notes, court documents, and other relevant sources.”—*Library Journal*

“Will enlighten the general reader. . . . Brings fundamental questions about the relationship between intelligence and policy into sharp relief.”—*Studies in Intelligence*

“A tightly written narrative history.”—Harvard magazine

“In the late 1960s, CIA analyst Sam Adams was almost alone in showing what one honest person can do in the face of political and bureaucratic corruption that twisted the truth about America’s enemy strength during the ten-year war in Vietnam. Now, C. Michael Hiam provides new insight into Adams’s epic battle.”—Alex Beam, *Newsday*

Review

“In times of White House obfuscation, it’s a pleasure to be able to read about the candor?against all odds?of courageous patriots like Sam Adams.” (Mike Wallace)

“A definitive contribution to an understanding of the most acrimonious intelligence controversy of the Vietnam War.” (George W. Allen, author of *None So Blind: A Personal Account of the Intelligence Failure in Vietnam*)

“An excellent book...should bring [Sam Adams’s story] to the attention of many who know nothing of the passions or the conflicts of that time.” (Larry McMurtry)

“Take up this book and let Michael Hiam lead you toward a final understanding of how military and civilian intelligence failed us during the Vietnam War.” (John Rolfe Gardiner, author of *Double Stitch*)

About the Author

C. MICHAEL HIAM is the author of *Eddie Shore and That Old Time Hockey* (2010) and the forthcoming *Dirigible Dreams: The Age of the Airship*. He lives in Massachusetts.

Users Review
