New Updates for 2017!

Here are some of the updates I added to this latest Edition:

Updated links:

I went through and updated the links for 2017, providing new links and removing old ones.

More examples:

I added more examples from the experiences and successes of those who have implemented the strategies outlined in this book.

More resources:

Throughout the book I've added links to give you access to some of the tools I suggest. In addition, I have updated the **Resources** section at the end of the book just in case there is another area where you may need assistance.

Why you should get this book!

You have your resume in hand and you're looking for a job, so what do you do? Send it out to potential employers, right? True, but before you do you may want to know that this book, *From Resume to Work*, has some extremely important experiences to share with you to help your resume put you to work faster than it has ever done before.

A wealth of input...

It contains a wealth of input from employers who want you to get it right and understand how best to connect with them so that they can find the right employee as quickly as possible. It doesn't matter if you are searching for standard jobs, contract jobs, online jobs, student jobs, summer jobs, local jobs, and even work from home jobs. *From Resume to Work* is the job-finding resource for you.

Begin with your resume in hand...

From Resume to Work begins with your finished resume (and cover letter) whether you've completed it yourself or have used employment agencies, resume writing services, or free resume templates. **This book starts with your finished resume.** So have your completed resume in hand when you get this book and then get ready to put your resume to work. Don't have a resume or cover letter? No problem, I have added resources to help you with that as well.

Covers 5-4-3

From Resume to Work covers:

- 5 Reasons why your resume gets rejected by the employer.
- 4 Strategies that will help you answer the primary question on the employer's mind, "What are you doing now?" even if you've been searching for a job for a long time.
- 3 Three steps to completing the #1 key to connecting with the employer.

Get it now!

From Resume to Work shares a number of real-life success stories from those who applied the principles from this book and moved *From Resume to Work*. **If you want your resume to help put you to work faster than it has ever done before then don't wait and scroll back up now to get this book.** I am confident that you'll be glad you did. Thank you.

Editorial Review

About the Author

I have spent over twenty-five years in management and training in the business and academic fields. My expertise includes financial, accounting, fiscal management, business plan development, technical writing, and proposal writing. I have also taught community college and university level courses in word-processing, database, spreadsheet, presentation graphics, desktop publishing, Web design, Internet, E-commerce, and accounting for the PC and Macintosh through advanced levels for 10 years. I have worked for large companies such as Xerox, Charles Schwab, IBM, Kaiser Permanente, and MCI. I have also worked with many entrepreneurial businesses as well as start-ups, and have conducted seminars and workshops for both for-profit businesses and non-profit organizations. I have reviewed over 7,000 resumes and interviewed over 500 applicants both individually and as part of a hiring committee. My passion for writing books is a direct result from having two teenagers entering the workforce and needing to understand the principles that I am sharing with you. I hope that you enjoy my books and gain insights from them.
