Tales of a Thirsty Bitch By Leondra LeRae, Kevina Hopkins

Princess and Deshaya were two best friends that grew up in Chicago who eventually allowed life to push them apart. Princess was all about the fast life and wanting a come up any way that she could get it. It didn't matter if it was your man or her best friend's man, she wouldn't stop until she got what she wanted. Deshaya on the other hand was only seeking love, but once she caught her boyfriend Corey in a compromising position, her good girl attitude went out the window. She wasn't the type of female to sit and cry in self-pity, so she decided to get even with Corey by finding her a new boo on the side. Princess and Deshaya both learn that hearts aren't meant to be toyed with when they end up in a life or death situation. Will Princess and Deshaya be able to get their shit together before it's too late for one of the them? A captivating tale of love, lies, sex, and drama! A must-read!
