The 7 Orgasmic Sex Positions That'll Get Her Off Every Time

...With these orgasm-inducing positions, she'll never fake it again

This book features seven sex positions that will help men give the best orgasmic feeling to women while making love.

This book does not only tell how to do these positions right, it also educates love-makers on how these positions came to be. It gives a little background about each position and some detailed explanation on how it makes women reach orgasm better than would make them want to let it all out.

Some positions may seem so basic that it does not add up spice to sex. This book

will surprise you how each position, whether complex or not, requires technique and proper grinding to get to the goal, “Oh.”
