A Madness So Discreet By Mindy McGinnis

Edgar Award for Best Young Adult Mystery

Mindy McGinnis, the acclaimed author of *Not a Drop to Drink* and *In a Handful of Dust*, combines murder, madness, and mystery in a beautifully twisted gothic historical thriller perfect for fans of novels such as *Asylum* and *The Diviners* as well as television's *True Detective* and *American Horror Story*.

Grace Mae is already familiar with madness when family secrets and the bulge in her belly send her to an insane asylum—but it is in the darkness that she finds a new lease on life. When a visiting doctor interested in criminal psychology recognizes Grace's brilliant mind beneath her rage, he recruits her as his assistant. Continuing to operate under the cloak of madness at crime scenes allows her to gather clues from bystanders who believe her less than human. Now comfortable in an ethical asylum, Grace finds friends—and hope. But gruesome nights bring Grace and the doctor into the circle of a killer who will bring her shaky sanity and the demons in her past dangerously close to the surface.

Editorial Review

From School Library Journal

Gr 9 Up—This compelling historical thriller opens with Grace Mae impregnated by her own father and locked away in a horrific asylum, mute and sealed within her own mind. She wishes for death, seeing herself as an empty husk, a vessel only for the life within. When she is pushed too far by the barbarous staff, she reacts violently, leading to the loss of her baby and being sent to die in a basement dungeon. She is discovered by a visiting doctor who sees within Grace the ability to help him in his work solving crime through criminal profiling. Grace is secreted away from Boston to Ohio, where though still in an insane asylum, her life is vastly improved. There she makes friends with a group of realistically complex characters, and assists Dr. Thornhollow in his work. Grace comes to terms with her life, and discovers what she can change, and how to survive that which she cannot. Though she continues to be entrapped in silence most of the time, she manages to make human connections, eventually using them to face her demons. Sympathetic characters make questionable moral choices, perhaps justified by their lack of power to effect change in a direct way. Grace's personal struggles to find her own place and influence her own story mirror the historical struggles of women throughout history. VERDICT Fans of period pieces and crime dramas will be pleased with this haunting tale.—Genevieve Feldman, San Francisco Public Library

Review

"[Amidst] moments of unthinkable cruelty, Grace's story shines. Every person she encounters, mad or trapped by the label of madness, feels achingly real. Readers will wish they could watch her and Thornhollow solve murders for pages and pages more. A dark study of the effects of power in the wrong hands, buoyed by a tenacious heroine and her colorful companions." --*Kirkus Reviews*

"Grace's personal struggles to find her own place and influence her own story mirror the historical struggles of women throughout history. Fans of period pieces and crime dramas will be pleased with this haunting tale." --*School Library Journal*

"Brutal, relentless, and haunting. Every character in *A Madness So Discreet* is more colorful and unforgettable than the last. With a realistic, emotionally complex, and clever heroine, readers will find themselves rooting for Grace from page one. Her story and McGinnis' style are too gripping to ignore." --Madeleine Roux, *New York Times* bestselling author

From the Back Cover

Grace Mae knows madness.

She keeps it locked away, along with her voice, trapped deep inside a brilliant mind that cannot forget horrific family secrets. Those secrets, along with the bulge in her belly, land her in a Boston insane asylum.

When her voice returns in a burst of violence, Grace is banished to the dark cellars, where her mind is discovered by a visiting doctor who dabbles in the new study of criminal psychology. With her keen eyes and sharp memory, Grace will make the perfect assistant at crime scenes. Escaping from Boston to the safety of an ethical Ohio asylum, Grace finds friendship and hope, hints of a life she should have had. But gruesome nights bring Grace and the doctor into the circle of a killer who stalks young women. Grace, continuing to operate under the cloak of madness, must hunt a murderer while she confronts the demons in her own past.

In this beautifully twisted historical thriller, Mindy McGinnis, acclaimed author of *Not a Drop to Drink* and *In a Handful of Dust*, explores the fine line between sanity and insanity, good and evil—and the madness that exists in all of us.

Users Review

From reader reviews:

Richard Smith:

In other case, little people like to read book A Madness So Discreet. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important the book A Madness So Discreet. You can add knowledge and of course you can around the world by the book.
