Sealed with a Lie By Kat Carlton

In this sequel to the romantic spy-thriller *Two Lies and a Spy*, Kari must race against the clock on a mission to save her little brother.

Kari Andrews thought life was going to get easier. She was wrong. Following the events of *Two Lies and a Spy*, she and her brother, Charlie, are left to cope with the aftermath while also adapting to a new school—in another country. But then Charlie disappears.

With her brother's life hanging in the balance, Kari, Evan, Rita, Kale, and some new friends from Generation Interpol (G.I.) set off on a race around Europe at the bidding of a voice on a phone. The voice tells them that they need to jailbreak a thief—a flirtatious, *hot* thief—steal something from a high-security bio lab, and deliver the goods during what's sure to be a double-cross exchange. Can they succeed before Charlie pays the ultimate price?

“Solid action, high stakes, and a likable heroine keep the pages turning” (*Kirkus Reviews*).

Editorial Review

From School Library Journal

Gr 7 Up—Kari Andrews's motto is, “when all else fails, resort to violence.” This is sort of odd coming from a 16-year-old prep-school student living in the DC area, but then her parents are both spies working for the Agency, which readers can presume to mean the CIA. She is also proficient at judo and takes care of her seven-year-old genius brother, Charlie, as one of her missions in life. The plot is totally preposterous. Kari gets a message from her parents to grab Charlie and hide until they can reach her. With her high school friends at her side, she does some spying of her own when her parents fail to show up at the three designated safe spots. The teens break into Langley when they find out that Kari's mother is in custody there. It seems that the Agency believes her parents are double agents working for the Russians. Kari doesn't stop until she busts her mother out of captivity and can begin looking for her father. There is a twist at the end that keeps readers engaged. Though the premise is far-fetched, the book is an easy, fun read that would be an additional purchase for libraries looking for espionage fluff.—Elizabeth Kahn, Patrick F. Review

"Solid action, high stakes and a likable heroine keep the pages turning." (*Kirkus Reviews*)

About the Author

Kat Carlton is the alias for a private citizen working in the interests of truth, justice, and the American Way. She'd reveal her true identity, but then she'd have to kill too many people...so Kat is content, like most covert operatives, to take names and kick ass from behind the scenes.

Users Review

From reader reviews:

Luba Jacobs:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each reserve has different aim or goal; it means that e-book has different type. Some people really feel enjoy to spend their time for you to read a book. They can be reading whatever they acquire because their hobby is definitely reading a book. Why not the person who don't like reading a book? Sometime, particular person feel need book if they found difficult problem or perhaps exercise. Well, probably you should have this Sealed with a Lie.

Terra Runyan:

People live in this new moment of lifestyle always make an effort to and must have the time or they will get wide range of stress from both day to day life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not just a robot. Then we ask again, what kind of activity have you got when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, typically the book you have read is Sealed with a Lie.

Steven Craig:

Beside that Sealed with a Lie in your phone, it might give you a way to get nearer to the new knowledge or details. The information and the knowledge you are going to get here is fresh from your oven so don't always be worry if you feel like an old people live in narrow commune. It is good thing to have Sealed with a Lie because this book offers to your account readable information. Do you occasionally have book but you do not get what it's interesting features of. Oh come on, that won't happen if you have this in the hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. Use you still want to miss this? Find this book along with read it from right now!

Mamie Salinas:

That publication can make you to feel relax. This particular book Sealed with a Lie was colourful and of course has pictures on the website. As we know that book Sealed with a Lie has many kinds or variety. Start from kids until teens. For example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore not at all of book are usually make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading in which.
