Silent Desire (Loose End Love Stories Book 5) By Brigitte Manie

Samson has reached his limit. The marriage vows said ‘for better or for worse,’ but he hasn’t seen the better in the nearly five years that he’s been married to Kerry-Ann. After overcoming two major obstacles in their marriage, Samson thought they were headed in a positive direction. All of a sudden, she’s steering clear of him and won’t tell him why. With her silence, he concludes that she’s making him suffer for his past mistake. In truth, Kerry-Ann has a real problem that she’s ashamed to share with her husband. Add unexpected houseguests, whom Samson can’t stand, to the existing tension, and the problem between them escalates. Frustrated beyond endurance, Samson just wants the problems to go away so that he can be with his wife. All Kerry-Ann wants is understanding and assurance. But with each of them carrying unspoken desires in their hearts, will they ever come to a point of understanding?

This is a novella about secondary characters from the book, Scandal in the Sanctuary. Nevertheless, this work can be read independently.

Editorial Review

From the Author
Dear Reader,

Loose End Love Stories is a mini-series of novellas about the romantic lives of secondary characters from the *Pioneers in the Pulpit* series. This novella, *Silent Desire*, shares the story of Samson and Kerry-Ann Nicholson from the *Pioneers*' novel, *Scandal in the Sanctuary*. At the end of *Scandal*, they weren't sure if they could repair their relationship. Frankly, neither was I, but everything is possible with God. *Silent Desire* showcases the hope of a 'happily ever after' in each of their hearts and shares their challenges to get to their HEA. I trust that you'll enjoy reading this installment of Loose End Love Stories.

Blessings and happy reading,

Brigitte Manie

From the Inside Flap

Samson's fierce gaze slammed into his wife's skittish one, imprisoning it and making her blink as if she had a sudden onset of nervous disorder. He watched the frantic beating of the pulse at her throat. She should be nervous, he thought with grim satisfaction. After what he'd caught her doing, she *should* feel guilty. She certainly looked it. So much for sickness stopping intimacy with him. He raked her face with disgust, repulsed by what had once fascinated him--her innocent façade, which masked her double-dealing personality. Her Persian cat eyes--shiny black like her ponytail-contained hair--with that sleepy slant had captured his interest when he first saw her. Her haughty nose would have made her face unapproachable, except for small, petal soft lips that curved into a smile and made a man unable to think of anything but her beauty. Right now that allure returned him off after what he'd witnessed.
