Editorial Review

From the Inside Flap

Six bone-chilling tales of bizarre beauty and awesome horror lurk in the dark of the soul, waiting to be called upon by the demons of nightmares, and let loose in the frightened mind. Only H.P. Lovecraft could conjure up these testaments to evil that will live inside of you forever....

About the Author

Howard Phillips Lovecraft (1890 – 1937) — known as H.P. Lovecraft — was an American author who achieved posthumous fame through his influential works of horror fiction. Virtually unknown and only published in pulp magazines before he died in poverty, he is now regarded as one of the most significant 20th-century authors in his genre. In 1913 his conduct of a long running controversy in the letters page of a story magazine led to his being invited to participate in an amateur journalism association. Encouraged, he started circulating his stories; he was 31 at the time of his first publication in a professional magazine. By age 34, he was a regular contributor to newly founded *Weird Tales* magazine. In 1926 he produced some of his most celebrated tales including "The Call of Cthulhu". Never able to support himself from earnings as author and editor, he subsisted in progressively straitened circumstances in his last years; an inheritance was completely spent by the time he died at the age of 46.

Users Review

From reader reviews:

Richard Gary:

This *The Dream-Quest of Unknown Kadath* (H.P. Lovecraft Ebooks Book 9) is great reserve for you because the content that is full of information for you who also always deal with world and still have to make decision every minute.
