Behind His Lens By R.S. Grey

On sale through the weekend before the price bumps to \$3.99.

Twenty-three year old model Charley Whitlock built a quiet life for herself after disaster struck four years ago. She hides beneath her beautiful mask, never revealing her true self to the world... until she comes face-to-face with her new photographer -- sexy, possessive Jude Anderson. It's clear from the first time she meets him that she's playing by his rules. He says jump, she asks how high. He tells her to unzip her cream Dior gown; she knows she has to comply. But what if she wants him to take charge outside of the studio as well?

Jude Anderson has a strict "no model" dating policy. But everything about Charley sets his body on fire.

When a tropical photo shoot in Hawaii forces the stubborn pair into sexually charged situations, their chemistry can no longer be ignored. They'll have to decide if they're willing to break their rules and leave the past behind or if they'll stay consumed by their demons forever.

Will Jude persuade Charley to give in to her deepest desires?

Recommended for ages 17+ due to language and sexual situations.

Users Review

From reader reviews:

Antonio Duncan:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or goal; it means that e-book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. Consider the person who don't like reading a book? Sometime, particular person feel need book whenever they found difficult problem or maybe exercise. Well, probably you will require this Behind His Lens.

Jean Gaskin:

This Behind His Lens book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is definitely information inside this book incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. This specific Behind His Lens without we comprehend teach the one who reading through it become critical in imagining and analyzing. Don't possibly be worry Behind His Lens can bring when you are and not make your tote space or bookshelves' turn out to be full because you can have it in the lovely laptop even phone. This Behind His Lens having good arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Frank Moore:

Reading a book to be new life style in this season; every people loves to go through a book. When you examine a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Behind His Lens will give you a new experience in reading a book.

Jeffrey Price:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Behind His Lens can make you experience more interested to read.
