By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009) By Andre Agassi

When Andre Agassi burst onto the tennis scene in the late 1980s, with his brash attitude, neon-colored shorts, and that ragged mane of hair, many followers of the notoriously conservative sport felt sure that the kid from Las Vegas lacked the determination and discipline needed to become a champion. More than 20 years later, Agassi retired as one of the greatest champions in tennis history, and the only man ever to complete a career "Golden Slam" (winning all four Grand Slam events plus an Olympic Gold Medal). Perhaps more importantly, with his audacity and charisma both on and off the court, he was one of the primary reasons for the sport's resurgence in popularity during the 1990s. Agassi lets his vibrant personality shine in this remarkable memoir, as he charts the genesis of his rebellious image and recalls the highlights and lowlights of his career with equal candor. Along with providing amazing insights on his playing career, Agassi also documents his high-profile romances with Barbara Streisand, Brooke Shields, and his current wife, fellow tennis great Steffi Graf. Selected by the New York Times Book Review as a Notable Book of 2009.

From reader reviews:

Conrad Degregorio:

Throughout other case, little people like to read book By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009). You can choose the best book if you'd prefer reading a book. Given that we know about how is important any book By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009). You can add understanding and of course you can around the world by just a book. Absolutely right, mainly because from book you can understand everything! From your country until finally foreign or abroad you will find yourself known. About simple point until wonderful thing you are able to know that. In this era, we can easily open a book or even searching by internet unit. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's go through.

Ben Hernandez:

The guide with title By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009) has lot of information that you can find out it. You can get a lot of benefit after read this book. This kind of book exist new expertise the information that exist in this guide represented the condition of the world today. That is important to yo7u to learn how the improvement of the world. This kind of book will bring you within new era of the the positive effect. You can read the e-book in your smart phone, so you can read that anywhere you want.

Maryann Warren:

As we know that book is important thing to add our knowledge for everything. By a e-book we can know everything we really wish for. A book is a range of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This book By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009) was filled concerning science. Spend your free time to add your knowledge about your scientific research competence. Some people has various feel when they reading a book. If you know how big benefit of a book, you can experience enjoy to read a reserve. In the modern era like at this point, many ways to get book you wanted.

Susan Negri:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library.

They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this By Andre Agassi - Open: An Autobiography (1st Edition) (10.10.2009) can make you sense more interested to read.
