Florida Family Law & Practice

Factors beyond their control are increasing the challenges faced by all who work with Florida family law.

Divorce studies and a flood of pro se litigants have driven Florida family courts to revise trial procedure and promote case management and settlement. Consequently, lawyers' courtroom skills are frequently lacking in the implementation of "trial as a last resort." And their existing settlement approaches are at times inadequate to meet court mandates.

Judge Renee Goldenberg, a master of systems organization and management, has written a procedural toolbox to address these challenges. Florida Family Law & Practice provides techniques, law, and forms to improve your effectiveness and efficiency in everything from client preparation through entry of evidence to closing argument.

The book is heavily annotated with over 3,000 case citations, dozens of practice tips and checklists, and over 200 forms. Taking a step-by-step approach, this complete practice and procedure guide walks you through:

- Screening cases
- Investigation
- Emergencies
- Discovery
- Temporary relief
- Property issues
- Alimony
- Child support
- Attorneys' fees
- Settlement
- Trial
