It Had to Be Love (An It Had to Be Novel Book 2) By Tamra Baumann

Tara Carter isn't looking for romance. She's content seeing patients at her new practice by day, then going home and cuddling with her puppy at night. Her new life in the tiny town of Anderson Butte, Colorado—known by celebrities as the place to lie low—is the perfect respite for a woman with a whopper of a secret. There's just one problem: the town's sexy sheriff knows she's hiding something.

Sheriff Ryan Anderson, weary of small-town drama, has sworn off dating locals and thinks a fresh start in a bigger city is in order. However, the more he gets to know Tara, the more his heart tells him that she could be the woman of his dreams. But he wants to get to the bottom of whatever she's trying so hard to keep under wraps. Can he uncover her secret before it drives them apart forever?

Editorial Review

About the Author

Tamra Baumann became hooked on writing the day she picked up her first Nora Roberts novel from her favorite bookstore. Since then, she's dazzled readers of contemporary romance with her own lighthearted love stories. She was the 2012 Golden Heart winner for Contemporary Series Romance, and has also received the Golden Pen Award for Single Title Romance. Born in Monterey, California, she led the nomadic life of a navy brat before finally putting down permanent roots during college. When she's not attending annual Romance Writers of America meetings, this voracious reader can be found playing tennis, traveling, or scouting reality shows for potential character material. She resides with her real-life characters—a husband of thirty years, two kids, and their allergy-ridden dog—in the sunny Southwest.

Users Review

From reader reviews:

Carroll Torres:

As people who live in typically the modest era should be change about what going on or facts even knowledge to make these people keep up with the era that is always change and move forward. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with.
