It's Not Me, It's You By Stephanie Kate Strohm

Did you hear...?

NATALIE WAGNER, random freshman: Avery Dennis--the Avery Dennis--got dumped right before prom.

COCO KIM, best friend: Avery has never been dumped! Well, okay, except for this one time.

BIZZY STANHOPE, officially the worst: The head of the prom committee doesn't have a date to the prom. It is beyond pathetic.

JAMES ""HUTCH"" HUTCHERSON, lab partner: Did Avery really swear off dating until she discovers why her relationships never work out? I'll believe that when I see it.

ROBBY MONROE, ex-boyfriend: Did you get interviewed by Avery Dennis for her project?

TRIPP GOMEX-PARKER, ex-boyfriend: Avery Dennis is straight-up interviewing everyone.

EVERY DENNIS: recently dumped/topic of much gossip: Okay. Everyone is talking about it, so let's talk about it...

From rising star Stephanie Kate Strohm, this is a laugh-out-loud look at one girl's epic dating history, as told by her friends, family, and foes.

Editorial Review

From School Library Journal

Gr 7 Up—Avery is blonde, popular, athletic, and smart. So is her boyfriend, who dumps her before their senior prom. Since Avery has always been the one to end relationships, she wants to interview her ex-boyfriends and figure out how such a horrible thing could have happened to her. She decides that this will also double as her oral history project, despite the teacher's protests that Avery's dating history doesn't meet the assignment requirements. The concept of soul-searching by looking at past partners has worked more successfully and humorously in other titles, such as John Green's *An Abundance of Katherines*. This story is formatted as an interview in which no one is asking actual questions. Avery flips between making editor's notes and joining in the conversation, resulting in a disjointed read and adding to the implausibility. The characters are largely stereotypes who don't receive much help from dated pop culture references. Readers might find it difficult to root for such a person. **VERDICT** Frothy and fun books deserve space on library shelves, but it might be tough to make room for this navel-gazing tale. Only for fans of Strohm or as an additional purchase.—Elissa Cooper, Helen Plum Memorial Library, Lombard, IL

Review

"...this should fit the bill for readers looking for total escape on a weekend afternoon." -Kirkus

"This effervescent romp bounces between playful fluff, witty humor, and happily-ever-after sincerity, and romance fans will be gleefully hooked." -Booklist

"Smart, hilarious and packed with Gilmore Girls-worthy pop culture references, this book is the perfect homework escape hatch." - Justine Magazine

About the Author

Stephanie Kate Strohm is the author of *It's Not Me, It's You*; *The Taming of the Drew*; *Pilgrims Don't Wear Pink*; *Confederates Don't Wear Couture* and the upcoming *Prince in Disguise* (Fall 2017). She grew up on the Connecticut coast, where a steady diet of *Little House on the Prairie* turned her into a history nerd at an early age. After graduating with a joint major in theater and history from Middlebury College, she acted her way around the country, performing in more than 25 states.

Although she was born in New York, she currently lives in Chicago, and doesn't discriminate against any type of pizza. When she's not writing, she loves baking, walking her dog Lorelei, taking dance cardio classes too seriously, and playing board games with her husband.

Users Review

From reader reviews:

Paul Holt:

Now a day people who Living in the era everywhere everything reachable by connect to the internet and the resources included can be true or not require people to be aware of each data they get. How individuals to be smart in getting any information nowadays? Of course the correct answer is reading a book. Studying a book can help persons out of this uncertainty Information specifically this *It's Not Me, It's You* book because this

book offers you rich data and knowledge. Of course the knowledge in this book hundred % guarantees there is no doubt in it you know.

Marie Griffin:

Why? Because this It's Not Me, It's You is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content interior easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the reserve store hurriedly.

Gary McKinney:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love It's Not Me, It's You, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its called reading friends.

Fern Marshall:

This It's Not Me, It's You is great e-book for you because the content and that is full of information for you who always deal with world and possess to make decision every minute. That book reveal it facts accurately using great arrange word or we can point out no rambling sentences within it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with splendid delivering sentences. Having It's Not Me, It's You in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no guide that offer you world inside ten or fifteen second right but this e-book already do that. So , this really is good reading book. Hello Mr. and Mrs. occupied do you still doubt which?
