More Than This By Patrick Ness

From two-time Carnegie Medal winner Patrick Ness comes an enthralling and provocative new novel chronicling the life — or perhaps afterlife — of a teen trapped in a crumbling, abandoned world.

A boy named Seth drowns, desperate and alone in his final moments, losing his life as the pounding sea claims him. But then he wakes. He is naked, thirsty, starving. But alive. How is that possible? He *remembers* dying, his bones breaking, his skull dashed upon the rocks. So how is he here? And where is this place? It looks like the suburban English town where he lived as a child, before an unthinkable tragedy happened and his family moved to America. But the neighborhood around his old house is overgrown, covered in dust, and completely abandoned. What's going on? And why is it that whenever he closes his eyes, he falls prey to vivid, agonizing memories that seem more real than the world around him? Seth begins a search for answers, hoping that he might not be alone, that this might not be the hell he fears it to be, that there might be more than just this. . . .

Editorial Review

From School Library Journal

Gr 9 Up—This haunting and consistently surprising novel raises deep questions about what it means to be alive, but it doesn't try to console readers with easy or pat answers. As the story opens, teenage Seth is experiencing his own death in painful detail. In the next chapter, he wakes up physically weak, covered in bandages and strange wounds, and wonders if he is in Hell or the future or somewhere else entirely. As he tries to survive in and make sense of his strange yet familiar surroundings, he is plagued by intense flashbacks of his life before he died: his guilt over the tragedy that befell his little brother, his burgeoning romance with another boy in his small town, and the events that led to his (dubious) death. Upon discovering two other young people in the blighted place he's landed, Seth begins to learn the Matrix-like truth about what has happened to the rest of humanity, how he can escape, and whether he even wants to. The intense themes in this novel make it more appropriate for older teens, but the language and sexual scenarios are clear, relevant, and neither graphic or gratuitous. A delicate balance between dystopian survival and philosophical grappling means that many different kinds of readers should appreciate the story.—Kyle Lukoff, Corlears School, New York Cityα(c) Copyright 2013. From [Booklist](#)

"He dies." So ends the first chapter of Ness' latest meld of genre fiction and soul-searching prose, wherein 16-year-old Seth violently drowns in the ocean. There is, of course, a catch: Seth wakes up in his former England home, suffering near-total amnesia and covered in metallic bandages. The neighborhood appears long deserted, and so Seth begins to scrounge empty stores for food and clothing. It's when he sleeps, however, that pieces of his past come rushing back: his culpability in the kidnapping of his little brother eight years earlier, his bespoiled sexual relationship with a boy from school, and even hints at how on earth he ended up here. Edging any further into plot is a minefield of spoilers, as the book's chief propulsion tactic is the turning of unexpected corners. Ness' knack for cliff-hangers, honed in the Chaos Walking series, remains strong, while the spare, gradual, anytime, anyplace quality of the story recalls *A Monster Calls* (2011). Repeated, similar battles with an antagonist feel like a distraction; nevertheless, Ness has crafted something stark and uncompromising. HIGH-DEMAND BACKSTORY: Ness is in the midst of a major critical and commercial hot streak. An author tour and more will seek to extend it. Grades 9-12. --Daniel Kraus

Review

Ness brilliantly plays with contrasts: life and death, privacy and exposure, guilt and innocence. In characteristic style, the author of the Chaos Walking trilogy delves into the stuff of nightmares for an existential exploration of the human psyche.

—Kirkus Reviews (starred review)

Books are often described as 'mind-blowing,' but this is one of the few books in which, while reading it, I have exclaimed aloud, 'Oh. My. God.' on multiple occasions. I won't tell you anything else about it. Just read it.

—John Green

It is a gorgeous story with masterful pacing and unforgettable passages.

—The Boston Globe
