The Sheik's Accidental Pregnancy (Botros Brothers Series Book 1) By Leslie North

Sara hates her new boss, Sheik Tariq. He is rude, arrogant, headstrong and argumentative.

So, why can't she stop thinking about him?

When she started work in the Middle East for The Botros Oil Company, Sara expected her boss to be an elderly Arab. But instead her boss is tall, handsome, gloriously masculine with stunning eyes and a muscular physique.

Tariq has never met anyone like her. She has no respect for tradition, she's clumsy, stubborn, unladylike and talks far too much. And she isn't scared of him, in fact she openly challenges him. He finds himself getting frustrated just talking to her.

So, why does he feel so attracted to her?

One night they're both working late and inevitably get into another heated argument. Before Sara knows what is happening, she is kissing Tariq, and he is lifting her onto the conference room table. After an unforgettable night of passion they both agree to never let it happen again. But when they discover the result of their unprotected encounter, they must both come to terms with their feelings.

Can this explosive couple finally reveal their more caring sides?

Or will it all end in disaster..?
