Tragic Modernities By Miriam Leonard

Under the microscope of recent scholarship the universality of Greek tragedy has started to fade, as particularities of Athenian culture have come into focus. Miriam Leonard contests the idea of the death of tragedy and argues powerfully for the continued vitality and viability of Greek tragic theater in the central debates of contemporary culture.

Editorial Review

Review

This is an ambitious and well-researched book, which has important things to say about both tragedy and modernity. (Barbara Graziosi *Times Higher Education* 2015-08-20)

[An] excellent book. In *Tragic Modernities*, [Leonard] convincingly argues that Greek tragedy has, and must continue to have, an essential role in contemporary culture. The book is a work of love and a dedicated, thorough reading of tragedy? a rare accomplishment. Leonard manages to connect all the major views (some of them seemingly incompatible) in the history of modernity, and she shows the depth of tragedy's influence on world view. She points out the crucial role of tragedy in drawing attention to the relationship between individuals and collectives... An important book on philosophy and tragedy. (S. Correa *Choice* 2015-12-01)

Leonard's brilliant examination opens up the discussion of 'the tragic' in exciting ways. Her eloquent, sure-footed readings render difficult philosophical and literary texts newly accessible. (Page duBois, University of California, San Diego)

A highly engaging and penetrating study of the most significant and influential philosophical approaches to ancient Greek tragedy that have emerged over the past two centuries. Leonard's profound familiarity with the Classical texts and with the modern history of ideas is exemplary. (John Hamilton, Harvard University)

Incisive...Amplify demonstrate[s] how studying the reception of the classics, and our engagement with the past, can provide guidance for the present. (Daisy Dunn *Times Literary Supplement* 2016-01-20)

About the Author

Miriam Leonard is Professor of Greek Literature and Its Reception at University College London.

Users Review

From reader reviews:

Leonard Dail:

Book is to be different per grade. Book for children until adult are different content. As we know that book is very important for all of us. The book *Tragic Modernities* had been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The book *Tragic Modernities* is not only giving you far more new information but also for being your friend when you sense bored. You can spend your own spend time to read your publication. Try to make relationship with the book *Tragic Modernities*. You never really feel lose out for everything when you read some books.

Herbert Haubrich:

This *Tragic Modernities* book is just not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is information inside this book incredible fresh, you will get facts which is getting deeper anyone read a lot of information you will get. This specific *Tragic Modernities*

without we know teach the one who studying it become critical in thinking and analyzing. Don't become worry Tragic Modernities can bring once you are and not make your tote space or bookshelves' turn into full because you can have it with your lovely laptop even phone. This Tragic Modernities having excellent arrangement in word and layout, so you will not feel uninterested in reading.

Michael Hansen:

Reading can called imagination hangout, why? Because while you are reading a book mainly book entitled Tragic Modernities your mind will drift away trough every dimension, wandering in every single aspect that maybe unfamiliar for but surely will become your mind friends. Imaging just about every word written in a book then become one application form conclusion and explanation that maybe you never get just before. The Tragic Modernities giving you yet another experience more than blown away the mind but also giving you useful data for your better life with this era. So now let us explain to you the relaxing pattern the following is your body and mind will likely be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary spending spare time activity?

Carl Harber:

This Tragic Modernities is great guide for you because the content that is full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can claim no rambling sentences in it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having Tragic Modernities in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt which?
