Cleopatra's Return: A Paranormal/Vampire Romance By Eve Langlais

Once Queen of the Nile, now she's the queen of their hearts--and bodies.

Cleopatra paid her dues in Hell for her mistakes, but Satan thinks she's too dangerous to keep around, so he's kicked her out into the modern world for a second chance.

Ambushed by demons, she is rescued by a dark knight, a vampire with whom she feels an instant connection.

But can she trust him?

For the first time, someone sees past her reputation to the woman. Michael seduces her. Loves her. It should spell happily ever after until Julius shows up. Who to choose? Or can she have them both?

The question of who to share her heart and bed with isn't the only thing plaguing her. Danger stalks and mystery surrounds her existence. Can this former queen find love in the modern world, or will her past return to destroy her?

Warning: This is an erotic reverse harem paranormal romance that contains sexual situations involving multiple partners where the focus is on her. It is meant for open minded adults only.
