Creatus Rogue (Creatus Series) (Volume 2) By Carmen DeSousa

Ancient myths, superheroes, vampires... Forget everything you've heard.

For four thousand years, creatus have concealed themselves from the humans who hunted them almost to extinction. Now, one rogue wants the world to know they exist.

Victoria doesn't want any of it; she just wants to live in peace without men-- humans or creatus--messing with her head. When the rogue decides he wants her to join him, though, only one person is close enough to help her. Only problem, he's her prisoner, and if he escapes, she's supposed to kill him.

The Creatus Series is not your normal paranormal story...it's a realistic romantic mystery based on the myths you've heard your entire life. Prepare to believe...

Editorial Review

About the Author

Although all of Carmen's stories have a common thread--romance, mystery, and suspense--not all of her novels are supernatural. Her first five books are romantic-suspense whodunits. They are all stand-alone novels; however, she does link each of her stories with a little surprise. She also has a series of mysteries with a ghostly edge. Please look for all of her books on her Amazon author page.
