Editorial Review

Review

"This book is a must for those working with student groups..." (NACADA)

From the Back Cover

This is the thoroughly revised and updated second edition of the best-selling book *Exploring Leadership*. The book is designed to help college students understand that they are capable of being effective leaders and to guide them in developing their leadership potential.

Exploring Leadership incorporates new insights and material developed in the course of the authors' work in the field. The second edition contains expanded and new chapters and also includes the relational leadership model, uses a more global context and examples that relate to a wide variety of disciplines, contains a new section which emphasizes ways to work to accomplish change, and concludes with concrete strategies for activism.

Praise for the First Edition

"My students have been searching for a leadership book that they don't have to translate to their experiences. At last, here is a book that integrates cutting-edge ideas of leadership with examples and stories from college students."

—Kathleen E. Allen, senior fellow, Academy of Leadership at the University of Maryland

"As a long-time teacher of leadership courses, I know that my students will resonate with *Exploring Leadership*. The book presents a well-developed analysis of both the 'how' and the 'why' of leadership as a relational process and also challenges student readers to think about how they might practice leadership throughout their lives."

—Sara A. Boatman, vice president for student affairs, Nebraska Wesleyan University

About the Author

Susan R. Komives is associate professor and director of the College Student Personnel Graduate Program at the University of Maryland, College Park.

Nance Lucas is the associate dean and associate professor at New Century College at George Mason University and former special assistant to the provost and director of the Academy of Leadership at the University of Maryland.
