Macroeconomics, 11th Edition By Roger A. Arnold

The economy is tough -- but economics doesn't have to be! Let Roger Arnold's MACROECONOMICS open up the world of economic analysis for your students. With more detailed coverage of the financial and economic crisis than any other principles text on the market, fun and innovative pedagogy, easy customization, and fully integrated digital and course management options, MACROECONOMICS is the perfect solution for any classroom. With intriguing pop culture examples, the text bolsters student interest by illustrating the unexpected places Macroeconomics occurs, and how economic forces link events to our lives and are part of your student's world 24/7. Building on the Video Office Hours lectures developed by Roger Arnold for the Tenth edition, the Eleventh edition features two entirely new video assets - Video Questions and Problems and Working with Diagrams. Video Questions and Problems videos walk the student through a worked problem, similar to those found at the end of each chapter, providing an ideal study tool for reference as students work through assigned problems. Working with Diagrams videos demonstrate key concepts in short (averaging 3-5 minutes) video pieces that students can play and replay to see how the graphs and other diagrams are built. Ideal for self-study or for online courses, the complete video assets available with MACROECONOMICS provide even greater flexibility for instructors. The Eleventh Edition is integrated with powerful resources, such as Aplia, CengageNOW, and Cengage's CourseMate for Macroeconomics, which provide unsurpassed planning and management tools, like homework that is automatically assigned, graded, and recorded online, or tracking of students' time spent with online resources. With new content reflecting a changing economy and new resources addressing the needs of a changing classroom, MACROECONOMICS, 11e is an ideal text for principles courses.

Editorial Review

About the Author

Dr. Roger A. Arnold is Professor of Economics at California State University San Marcos, where his fields of specialization include general microeconomic theory and monetary theory. A widely respected authority on economic issues, Dr. Arnold is a regularly featured expert on talk radio discussing the state of the economy. He is also a proven author, who has written numerous academic articles, hundreds of newspaper columns, as well as the popular *ECONOMICS: NEW WAYS OF THINKING* and principles of macroeconomics supplementary text, *HOW TO THINK LIKE AN ECONOMIST*. Dr. Arnold has been a member of the economics faculty at California State University Northridge, University of Oklahoma, Hillsdale College, University of Nevada Las Vegas, and California State University San Marcos. He served as chair of the economics department for two years at University of Nevada Las Vegas and for seven years at California State University San Marcos. He is currently chair of the economics department at California State University San Marcos. During his tenure at UNLV he was regularly one of the top five finalists for the teacher of the year honor (in the College of Business and Economics), and in 1987 he received the best researcher of the year award. Dr. Arnold earned a B.S. in Economics in 1974 from the University of Birmingham in England and received his M.A. in 1976 and his Ph.D. in 1979 from Virginia Polytechnic Institute and State University.

Users Review

From reader reviews:

Shirley Joy:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have to do something to make all of them survive, being in the middle of the actual crowded place and notice by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yep, by reading a reserve your ability to survive improve then having chance to stay than other is high. For yourself who want to start reading some sort of book, we give you that *Macroeconomics, 11th Edition* book as nice and daily reading book. Why, because this book is greater than just a book.

Lottie Jowers:

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of book you read, if you want send more knowledge just go with training books but if you want sense happy read one along with theme for entertaining such as comic or novel. Typically the *Macroeconomics, 11th Edition* is kind of reserve which is giving the reader unpredictable experience.

Richard Sims:

Playing with family in the park, coming to see the water world or hanging out with buddies is thing that

usually you might have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Macroeconomics, 11th Edition, you can enjoy both. It is fine combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

Ernest Bryan:

That reserve can make you to feel relax. This particular book Macroeconomics, 11th Edition was colorful and of course has pictures around. As we know that book Macroeconomics, 11th Edition has many kinds or category. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading in which.
