My Cousin Rachel By Daphne du Maurier

MY COUSIN RACHEL I was in the carriage ready to leave when a last letter arrived from Ambrose: For God's sake, come quickly! Rachel, my torment, has won. I am dying. Come quickly, or it will be too late! I began my journey with a terrible fear in my heart. It was the 10th of July. I knew I could not reach Ambrose until the middle of August.

Editorial Review

From Library Journal

Du Maurier was a very popular writer during her lifetime, but after she cashed in her chips in 1989, many of her books have gone out of print. This 1951 story is told by young protagonist Philip Ashley, who is cast together with Rachel, his uncle's widow, whom he comes to suspect might have played a role in the man's demise. Is Philip next?

Review

³From the first page . . . the reader is back in the moody, brooding atmosphere of *Rebecca*² -- *THE NEW YORK TIMES BOOK REVIEW*

From the Publisher

My Cousin Rachel is the gripping story of a Victorian young man whose placid life in the English countryside is turned inside-out by an older woman. The young man is Philip Ashley, the novel's narrator. Orphaned at an early age, he's been raised by his bachelor uncle Ambrose, who falls in love and marries while traveling in Florence, then dies there in suspicious circumstances. Shortly after her husband's death, Ambrose's widow turns up in England, setting the stage for the unfolding of a relationship between the callow Philip and the beautiful, sophisticated, mysterious widow. And while Philip impetuously embraces the role of the moth flapping full-tilt toward the flame, the widow never puts a foot wrong. Is she designedly luring Philip to his doom? Might she even have had a hand in Ambrose's death? Originally published in 1951, *My Cousin Rachel* was made into a film in 1953.

Users Review

From reader reviews:

Lisa Martin:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do?
