Pale Moon (Red Moon Second Generation Series Book 5) By Elizabeth Kelly

Unlike his siblings, Nicholas Williams has no desire to find a mate. But when a group of strange Lycans arrive at his home, bringing with them a human woman named Max, Nicky finds himself oddly attracted to her.

On a dangerous quest to the outskirts to save his birth father's life, Nicholas is drawn to Max in a way he does not understand. His urge to protect her and claim her as his own grows stronger with each passing day. But when Max reveals her strange powers - powers that can harm the people she cares about most - he must find a way to convince her to trust him.

Author's Note: This is Book Five of the "Red Moon" series. Book One ("Red Moon"), Book Two ("Red Moon Rising"), Book Three ("Dark Moon"), and Book Four ("Alpha Moon") should be read first in order to have a better understanding of both the characters and the world they live in. This book contains some violence and some hot and sweaty sex scenes, and is intended for adults only.

Editorial Review

About the Author

Elizabeth Kelly was born and raised in Ontario, Canada. She moved west as a teenager and now lives in Alberta with her husband and her cat, Murray. She spends most of her time in her office writing and pushing Murray off her computer keyboard. She firmly believes that a human can survive solely on sushi and coffee, and only her husband's mad cooking skills stops her from proving that theory.
