The Art of Aardman By Aardman Animations Ltd

This book celebrates 40 years of the Aardman studio by taking the reader on a tour through its archives. The studio responsible for creating Academy Award(R) winning and nominated movies such as Wallace & Gromit: The Curse of the Were-Rabbit, Chicken Run, and The Pirates! In an Adventure with Scientists shares its creations' evolution with initial outlines where the characters were developed sketch by sketch, beautiful concept art, and the settings that created the background on which these stories played out. With forewords from founders Peter Lord and David Sproxton, extracts from the sketchbooks of creators and directors including Lord, Nick Park and Richard Starzak, this book is the essential guide to the animation studio that brought much-loved characters and unforgettable stories to life.
