**The Sheikh's Lost Lover (Desert Kings Book 3)** By Diana Fraser

A love affair that must not last...

Lucy Gee, sails to Sitra to find her missing sister, Maia, who was last seen in the arms of the King. Lucy doesn't do long-term relationships but when she meets the King she falls for him hard. She just has to control her attraction long enough to find Maia, but not long enough so she loses her heart. Two weeks should do it.

Sheikh Razeen ibn Shad was never meant to be King. But, with his father and brother both dead, he's determined to do his duty, even if it means entering into an arranged marriage with a Sitran Princess to gain the approval of his countrymen. But he has two weeks before he has to choose a wife. Two weeks in which to have an affair with Lucy. What could go wrong?

### About the Author

I write classic, contemporary romances set wherever there are beautiful locations and gorgeous men! Wherever the location--from desert kingdoms and Italian lakes, to the remote high country of New Zealand--I make sure the path to true love doesn't run smoothly, by adding in a few secrets, or a little intrigue.

I have three series -- Desert Kings, for those who love their romance on the more exotic side, The Mackenzies which is set in New Zealand and features the brothers and friends of The Mackenzie family, and my Italian Romance series. I'm about to begin a new series which is a spin-off of the Mackenzie series, also set in New Zealand.

Happy reading!
