The Surprise Attack of Jabba the Puppett (Origami Yoda series Book 4) By Tom Angleberger

Dark times have fallen on McQuarrie Middle School. Dwight's back--and not a moment too soon, as the gang faces the FunTime Menace: a new educational program designed to raise students' standardized test scores. Instead, it's driving everyone crazy with its obnoxious videos of Professor FunTime and his insidious singing calculator! When Principal Rabbski cancels the students' field trip--along with art, music, and LEGO classes--to make time for FunTime, the students turn to Origami Yoda for help. But some crises are too big for Origami Yoda to handle alone: Form a Rebel Alliance the students must. United, can they defeat the FunTime Menace and cope with a surprise attack from Jabba the Puppett? With this latest episode in the explosively popular Origami Yoda series, Tom Angleberger proves once again that he "has his finger puppet squarely on the erratic pulse of middle-school life" (Washington Post).

Editorial Review

From [Booklist](#)

“Captain” Dwight and Origami Yoda return to McQuarrie Middle School just in time to wage battle against a powerful new enemy in Angleberger’s latest installment of this popular series. After a poor showing on the state standardized tests, McQuarrie students learn that their favorite classes—art, choir, sports, LEGOs—are being replaced by FunTime, a learning enhancement program that proves to be anything but fun. With Origami Yoda at the helm, an Origami Alliance forms to launch a rebellion against FunTime in order to save the school and its students from the Dark Side. Angleberger delivers another clever, funny crowd-pleaser in a diary-style case file packed with doodles and the voices of key participants in the rebellion. The message isn’t bad either: uniting for the greater good and standing up for one’s beliefs. Fans of the series, or of Star Wars, will hit warp speeds to grab a copy of this one. Grades 3-6. --Julia Smith

About the Author

Tom Angleberger is the author of the bestselling Origami Yoda series, as well as "Horton Halfpott" and "Fake Mustache," both Edgar Award nominees, the Qwikipick Papers series, and the Inspector Flytrap series. Angleberger lives in Christiansburg, Virginia, with his wife, the author-illustrator Cece Bell. www.origamiyoda.com.

Users Review
