Think of England By KJ Charles

Lie back and think of England...

England, 1904. Two years ago, Captain Archie Curtis lost his friends, fingers, and future to a terrible military accident. Alone, purposeless and angry, Curtis is determined to discover if he and his comrades were the victims of fate, or of sabotage.

Curtis's search takes him to an isolated, ultra-modern country house, where he meets and instantly clashes with fellow guest Daniel da Silva. Effete, decadent, foreign, and all-too-obviously queer, the sophisticated poet is everything the straightforward British officer fears and distrusts.

As events unfold, Curtis realizes that Daniel has his own secret intentions. And there's something else they share—a mounting sexual tension that leaves Curtis reeling.

As the house party's elegant facade cracks to reveal treachery, blackmail and murder, Curtis finds himself needing clever, dark-eyed Daniel as he has never needed a man before...

Warning: Contains explicit male/male encounters, ghastly historical attitudes, and some *extremely* stiff upper lips.

Editorial Review

Users Review

From reader reviews:

Brian Bottoms:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite publication and reading a guide. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled Think of England. Try to face the book Think of England as your good friend. It means that it can being your friend when you really feel alone and beside those of course make you smarter than previously. Yeah, it is very fortunated in your case. The book makes you far more confidence because you can know everything by the book. So , let me make new experience and also knowledge with this book.

Clara Reece:

What do you think of book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for each other. Don't be compelled someone or something that they don't want do that. You must know how great in addition to important the book Think of England. All type of book would you see on many options. You can look for the internet methods or other social media.

Philip Kirkpatrick:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Think of England.

Micah Clark:

That publication can make you to feel relax. This specific book Think of England was bright colored and of course has pictures on there. As we know that book Think of England has many kinds or style. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book are usually make you bored, any it can make you feel happy, fun and relax. Try to choose the best book in your case and try to like reading this.
