**Transfer of Power (A Mitch Rapp Novel)** By Vince Flynn

America's most powerful leader becomes its prime target, a “nightmarish” (*Booklist*) scenario made all-too-real in this Mitch Rapp thriller from #1 *New York Times* bestselling author Vince Flynn.

The stately calm of a Washington morning is shattered when a group of terrorists descends, killing dozens and taking nearly one hundred hostages as they massacre their way into the White House. The Secret Service evacuates the president to an underground bunker—and while officials argue over how to negotiate with the enemy, Mitch Rapp, the CIA's top counterterrorism operative, moves stealthily among the hidden corridors and secret passageways of the executive mansion, to save the hostages before the terrorists reach the president. But another adversary—someone within Washington's elite—is determined to see Rapp's rescue mission fail.

### Editorial Review

From Publishers Weekly

In this long political thriller staged almost entirely around a hostage standoff, Flynn makes maximum use of his White House setting, and mixes in a spicy broth of brutal terrorists, heroic commandos and enough secret agent hijinks to keep the confrontation bubbling until its flag-raising end. The villains are led by Rafique Aziz, a notorious Arab terrorist whose band of thugs takes over the White House by finding a weak point in American politics: they pose as wealthy campaign contributors and are welcomed through the front door. President Robert Hayes manages to escape to his bunker moments before the bloodbath, but religious zealot Aziz takes almost 100 hostages, seals off the White House and begins making demands, of which large sums of cash are just the beginning. With the president incommunicado and weak-willed yet power hungry Vice President Sherman Baxter in charge, the Pentagon and the CIA resort to their secret weapon: commando extraordinaire Mitch Rapp. After sneaking into the bowels of the Executive Mansion through an air duct, Rapp steadily disrupts the terrorists' well-laid plans. He finally calls in reinforcements when Aziz begins drilling into the president's bunker. It's a long haul to the finish, but Flynn (*Term Limits*) compensates for some stereotyping by creating dynamic tension between the main players, especially between military leaders and politicians, and between Rapp and Aziz. His description of the White House is impressive; readers will wonder if the secret passageways, hidden rooms and clever deception devices that help load this story with seemingly endless intrigue, really exist. Agent, Sloan Harris. 15-city author tour.

From Library Journal

When terrorists crash White House security, the President is swept away to an isolated underground bunker, and the Vice President suddenly finds himself in charge. From the author of the best-selling *Term Limits*. Copyright 1999 Reed Business Information, Inc.

From [Booklist](#)

Since the dawn of the cold war, the idea of the U.S. being attacked by foreign terrorists has loomed as a constant threat, but since the World Trade Center bombing, it has become a chilling reality. Here, that reality is vaulted to a nightmarish new level when Arab terrorists invade Washington, D.C., and seize control of the White House. Chaos ensues as key administration personnel--some competent, most inept--vie to secure the release of more than 100 White House hostages, including the president himself. Heading up the CIA's Counterterrorism Center is Irene Kennedy, deft at penetrating the tangled terrorist psyche. Her top recruit is Mitch Rapp, a loner whose specialty is tracking down the most vicious terrorists and either kidnapping or assassinating them--unofficially, of course. His most recent nabbing proves to be a fount of knowledge, providing otherwise unattainable enemy intelligence. The question remains whether Mitch can use what he's learned before the crazed leader of the White House assault takes more casualties. In his second novel, following *Term Limits* (1998), Flynn delivers a riveting espionage thriller that will satisfy action fans who like Chuck Logan but won't alienate readers who want a little nuance with their suspense. *Mary Frances Wilkens*

### Users Review

From reader reviews:

**Jose German:**

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only situation that share in the publications. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write on their book. One of them is this Transfer of Power (A Mitch Rapp Novel).

**Veronica Gregor:**

Playing with family within a park, coming to see the marine world or hanging out with good friends is thing that usually you will have done when you have spare time, and then why you don't try factor that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Transfer of Power (A Mitch Rapp Novel), you can enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't understand it, oh come on its called reading friends.

**Patricia Stroud:**

Are you kind of active person, only have 10 or perhaps 15 minute in your day to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are receiving problem with the book as compared to can satisfy your small amount of time to read it because all this time you only find publication that need more time to be read. Transfer of Power (A Mitch Rapp Novel) can be your answer mainly because it can be read by an individual who have those short extra time problems.

**Norma Baumgarten:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Transfer of Power (A Mitch Rapp Novel) can make you really feel more interested to read.
