Public Administration in America By Michael Milakovich

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, "Point/Counterpoint" and "What Would You Decide?," where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, PUBLIC ADMINISTRATION IN AMERICA builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference!

Editorial Review

Review

"I like the comprehensive nature of the topics being addressed and the separation of the chapters into parts with broad themes . . . The most appealing parts . . . are the emphasis on change, leadership, and current events. That makes the book immediately relevant."

"The themes, challenges, and issues of contemporary public policy and administration pulls in the need for students and citizens to be as versed as possible on the impact of the decision-making in Washington, state capitols, and local units of government . . . The teaching methodology is one that you can give reference to an event and then relate it to what is currently happening."

"I have used the text . . . for over seventeen years. I love the text and will continues to use it."

"I appreciate a textbook that provides examples that are detailed, yet balanced."

About the Author

Michael E. Milakovich is a professor of Political Science at the University of Miami in Coral Gables, Florida. A life member of the American Society for Public Administration, he serves as an expert witness, advises public and nonprofit organizations on policy analysis and quality improvement, and consults with various agencies domestically and abroad. Dr. Milakovich is a widely published author of journal articles and textbooks on a variety of subjects in digital governance, political science, and public administration.

George J. Gordon is professor emeritus of Political Science at Illinois State University in Normal, Illinois, and author of numerous conference papers and journal articles on federalism and intergovernmental relations. Active in political and civic affairs, Dr. Gordon is a past presidential elector (1992), a member of the McLean County (Ill.) Board, and a section head for the annual Conference of the Midwest Political Science Association.

Users Review

From reader reviews:

Gregory Mackenzie:

In this 21st hundred years, people become competitive in every way. By being competitive currently, people have do something to make them survives, being in the middle of the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated it for a while is reading. Yes, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you who want to start reading the book, we give you that Public Administration in America book as beginning and daily reading publication. Why, because this book is greater than just a book.

Gerald Conway:

Do you have something that you like such as book? The e-book lovers usually prefer to choose book like comic, small story and the biggest the first is novel. Now, why not attempting Public Administration in

America that give your fun preference will be satisfied by reading this book. Reading routine all over the world can be said as the method for people to know world a great deal better then how they react in the direction of the world. It can't be stated constantly that reading addiction only for the geeky person but for all of you who wants to always be success person. So , for all you who want to start looking at as your good habit, you are able to pick Public Administration in America become your own starter.

Sherrie Smith:

As we know that book is vital thing to add our understanding for everything. By a publication we can know everything we really wish for. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This book Public Administration in America was filled about science. Spend your free time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading any book. If you know how big benefit of a book, you can really feel enjoy to read a reserve. In the modern era like now, many ways to get book that you wanted.

Ernest Poole:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Public Administration in America can make you experience more interested to read.
