Son of the Shadows (The Sevenwaters Trilogy, Book 2) By Juliet Marillier

Son of the Shadows, the second book in Juliet Marillier's award-winning Sevenwaters Trilogy

Beautiful Sorcha is the courageous young woman who risked all to save her family from a wicked curse and whose love shattered generations of hate and bridged two cultures.

It is from her sacrifice that Sorcha's brothers were brought home to their ancestral fortress Sevenwaters, and her life has known much joy.

But not all the brothers were able to fully escape the spell that transformed them into swans, and it is left to Sorcha's daughter Liadan to help fulfill the destiny of the Sevenwaters clan. Beloved child and dutiful daughter, Liadan embarks on a journey that shows her just how hard-won was the peace that she has known all her life.

Liadan will need all of her courage to help save her family, for there are dark forces and ancient powers conspiring to destroy this family's peace--and their world. And she will need all of her strength to stand up to those she loves best, for in the finding of her own true love, Liadan's course may doom them all . . . or be their salvation.

Editorial Review

Amazon.com Review

Second of the Sevenwaters trilogy of novels about the last days of heroic Ireland, *Son of the Shadows* takes up the story of the children of Sorchu, who saved her enchanted brothers, and Hugh, the Briton she married. Sorchu's daughter Liadan is a gifted seer and healer who thinks, in spite of her visions, that she knows what the future has in store for her--caring for her dying mother and then an alliance marriage to Eamonn. A chance meeting on the road carries her off to care for a dying man--one of the mercenaries of the sinister Painted Man, Eamonn's archenemy and a killer for hire. Liadan discovers that she cannot choose whom she loves and that she and the Painted Man are as bound up in destiny as her mother and father were before her.

This is an intelligent historical romance in which the supernatural is a part of the character's everyday lives to an extent that makes it hard to think of the book as specifically a fantasy--these are people to whom the beings of forest speak on a regular basis and to whom sorcery is real. --Roz Kaveney, *Amazon.co.uk*

From Publishers Weekly

Druidic Erin (Ireland) is a place teeming with fairies and earth magic. But this compelling story is not a tale of the fey it is a tale of one who lives in the world of humans and yet has contact with the otherworld. Liadan of Sevenwaters is the child of Iubdan and Sorchu (whose story was told in *Daughter of the Forest*) and she is granted the power to hear and see what others cannot. She is a healer of mind, body and spirit. It is Liadan's gift of healing that brings about a meeting with a mercenary considered to be the enemy of her family. Liadan names this man without a name or history "Bran" and soon realizes that the information she has been told about him (and the world in general) is not what it appears to be. In too short a time, Liadan comes to love Bran with a fierceness that she never imagined possible, and yet their love cannot be fulfilled. Bran's life is not her life, nor is her life his. They must travel down different paths (at least for a while), knowing in their hearts that the bond between them is stronger than the things that pull them apart. This is the story of a powerful love, which might change the course of history for Liadan's people and the island of Erin. Beautifully written, the second in the Sevenwaters trilogy continues a sparkling saga of a family whose destiny is to help free Erin from British tyranny. The story, though a bit light on the magic and heavy on the romantic, is reminiscent of Jennifer Roberson's Chesuli series. Fantasy addicts should love it.

From Library Journal

In this work's prequel, *Daughter of the Forest*, Sorchu saved her brothers from a curse that turned them into swans. Now, it is her daughter Liadan's turn to leave her home in peaceful Sevenwaters in search of her destiny. A world of druids and shapechangers, Fair Folk and foul monsters draws Liadan deeper into danger as she battles to save her family and her home. Marillier blends old legends with original storytelling to produce an epic fantasy that belongs in most libraries.

Users Review

From reader reviews:

Inge Reader:

What do you think of book? It is just for students since they are still students or it for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't wish do that. You must know how great and also important the book Son of the Shadows (The Sevenwaters Trilogy, Book 2). All type of book could you see on many resources. You can look for the internet resources or other social media.

Robert Johnson:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this Son of the Shadows (The Sevenwaters Trilogy, Book 2).

Matthew Ramey:

Playing with family in the park, coming to see the marine world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Son of the Shadows (The Sevenwaters Trilogy, Book 2), you may enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Anna Humphrey:

Son of the Shadows (The Sevenwaters Trilogy, Book 2) can be one of your starter books that are good idea. We recommend that straight away because this e-book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to place every word into pleasure arrangement in writing Son of the Shadows (The Sevenwaters Trilogy, Book 2) yet doesn't forget the main level, giving the reader the hottest along with based confirm resource information that maybe you can be among it. This great information can easily drawn you into brand-new stage of crucial pondering.
