Sunbolt (The Sunbolt Chronicles) (Volume 1) By Intisar Khanani

The winding streets and narrow alleys of Karolene hide many secrets, and Hitomi is one of them. Orphaned at a young age, Hitomi has learned to hide her magical aptitude and who her parents really were. Most of all, she must conceal her role in the Shadow League, an underground movement working to undermine the powerful and corrupt Arch Mage Wilhelm Blackflame.

When the League gets word that Blackflame intends to detain--and execute--a leading political family, Hitomi volunteers to help the family escape. But there are more secrets at play than Hitomi's, and much worse fates than execution. When Hitomi finds herself captured along with her charges, it will take everything she can summon to escape with her life.

Sunbolt has received the **Seal of Excellence** from **Awesome Indies**.

Editorial Review

Review

"This has to be one of the most unpredictable stories I've ever read, a new twist at every turn, and as the book is incredibly fast-paced, that means a breathtaking ride." Pauline, Fantasy Review Barn 6/30/2012

"Thrilling and captivating, *Sunbolt* is by far one of the best novellas I've read. I highly recommend this for fantasy fans - you'll be enchanted by the book's mysterious world and strong characters!" - Rachel, Moosubi Reviews 9/29/2013

"This is the third work I've read by Intisar Khanani, and the third time I've walked away from her stories monumentally impressed. Why? Oh, let me count the ways: her gorgeous writing style, her lovely attention to detail, her seemingly effortless character development, her incredibly satisfying relationship development, her complex world-building, her intuitive pacing, her beautifully evocative imagery. Uh, you know... just to name a few things. She's a talented writer of fantasy and I must say, she's officially taken a place among my favorites of the genre." - Refracted Light Reviews 6/22/13

About the Author

Intisar Khanani grew up a nomad and world traveler. Born in Wisconsin, she has lived in five different states as well as in Jeddah on the coast of the Red Sea. She first remembers seeing snow on a wintry street in Zurich, Switzerland, and vaguely recollects having breakfast with the orangutans at the Singapore Zoo when she was five. She currently resides in Cincinnati, Ohio, with her husband and two young daughters. Until recently, Intisar wrote grants and developed projects to address community health with the Cincinnati Health Department, which was as close as she could get to saving the world. Now she focuses her time on her two passions: raising her family and writing fantasy. Intisar's next two projects include a companion trilogy to Thorn, following the heroine introduced in her free short story The Bone Knife, and The Sunbolt Chronicles, a novella serial following a young mage with a propensity to play hero when people need saving, and her nemesis, a dark mage intent on taking over the Eleven Kingdoms.
