9 Super Simple Steps to Entrepreneurial Success By Marty Grunder

In *The 9 Super Simple Steps to Entrepreneurial Success*, Marty Grunder offers a step-by-step approach to executing a good business idea that touches on formulating ideas early on, and continues by focusing on the traits and actions a successful entrepreneur must make second nature. He developed his steps from the traits he found he required to be successful in business. He devotes a chapter to each step with examples, anecdotes and reality check sidebars, which offer warnings and issues for further thought, often based on his own mistakes. In each chapter he uses examples from both his business and other management experts to help readers clearly understand what steps to take and why. This book is basic enough to reach readers who want their own businesses as well as those who just want to adopt a winner's mentality.
