An Indecent Awakening By Emily Tilton

When tall, handsome Ben Weathers catches eighteen-year-old Stacy Miller watching porn and touching herself, the shy girl is utterly mortified. But Ben feels no hesitation in informing Stacy that he thinks he's the right man to punish her thoroughly for her disgraceful behavior, and she soon finds herself over his knee for a painful and humiliating bare-bottom spanking.

Ben doesn't stop there, though. Seeing the way Stacy responds to his dominance, he decides to enlist the help of her naughty viewing habits in training her to please a man. From that point, he oversees her erotic education: she will visit his home twice a week, where she will submit to him completely. Though each meeting with Ben is more shameful and indecent than the last, Stacy soon realizes that Ben has begun to teach her to embrace her true erotic self and to find pleasures she never imagined. Week after week she returns to Ben's house for more.

When Ben decides that it's time for him and his friends to give Stacy her final lesson, though, will she turn her back on her indecent awakening?

Publisher's Note: An Indecent Awakening is an erotic novel that includes spankings, sexual scenes including a threesome, anal play, exhibitionism, elements of BDSM, and more. If such material offends you, please don't buy this book.
