BITING POINT (Sex on Wheels Book 1) By Azalea amy Lezlynn
LEGEND. KING. LOVER. RACER.

Three-T rules the roads.

But this is no televised championship, with its own rules and regulations.

There are no pretty flags or set race tracks in these street races.

My lover races raw.

He races wild.

He races illegally.

He races like a God.

I began to believe such a man could never love a girl like me, but love me he does... all of me ... and there are plenty of my fuller-plus-size figured curves to love.

Together we stand strong at the head of his exotic car racing dynasty, but there is darkness brewing.

As fate would have it, regrets collect like old friends ready to relive his most agonizing moments.

Dark secrets are awakened, whispering their threats of destruction.

Will they be enough to take us down?

The moment arises for him to decide who is more important.
Me or his brotherhood of racing league members?

This is where our legacy with the world's fastest cars begins.

“We Ride Together ... As One ... 'Til The End.”

*** WARNING : Possessive, Controlling, Domineering, Loyal, Jealous,

Protective & Passionately Sexual Italian Alpha Male - with - slight undertones of 'Dominance & Submission'. ***
{sexual scenes with: fruit, bondage with roses, ice cream.}

*New Adult, Contemporary, Erotica, Action Adventure.

Due to strong language and graphic sexual content, this book is not intended for readers under the age of 18.
