Brunnstrom's Clinical Kinesiology (Clinical Kinesiology (Brunnstrom's)) By Peggy Houglum

A classic reborn for its Golden Anniversary.

Now celebrating its 50 years in print, this text has held onto the foundation of its great success, while also being re-invented for today's audience. The focus of this text remains the practical instruction of functional anatomy in order to quickly, and convincingly, guide readers to its use in professional performance. This text is filled with modern applications that will show your students the relevance of foundational material to their future careers.

An all-new author team of expert instructors Peggy Houglum and Dolores Bertoti, a brand-new, full-color design, and new learning and teaching resources online at DavisPlus all make the field's gold standard more valuable than ever as it prepares readers to apply theory to clinical practice.
