*A vampire's heart is not meant to beat this fast*

*Legacy, Book 7*

Craig Lawton's life is full. Filled with normal things like work as a video-game creator and financial investor, and not-so-normal things like two half-werewolf siblings and a vampire best friend.

He's accustomed to being the only human in the room...until he attempts to help a desperate, newly made vampire in the throes of her first transformation.

Evie Pelowski is a woman alone. Left alone in a filthy alley to become a monster like the one that attacked her, unable to control the bloodlust surging through her veins. Now she's done the unforgivable—turned her Good Samaritan into a monster just like her.

They must face the future while coming to grips with their new realities. But despite a strong bond ignited by blood and forged in the heat of sexual desire, despite Craig's unshakeable determination to teach her to trust, Evie knows nothing she loves ever stays. Especially when the vampire who made her wants her back—and he'll kill anyone who gets in his way.

Warning: The transformative power of love collides with the bite of a vampire to create one heck of a love story. Mix in some smokin' hot sex, some very nasty bad guys, a disgruntled family and an ancient vampire and you'll be stretching your neck for a bite.
